Yearbooks on Sale:
Yearbooks have been ordered. If you did not place an order online and would like a yearbook, please let Mrs. Ebersold know. We have ordered extra but they will be sold on a first come first serve basis. Bring $17 cash or check written to Parkside to the office. Once they are sold, there will be no more.

Change in Dismissal:
If your child is not going home their regular way after school, please send a note to your child’s teacher in the morning with your student. You can also use the Remind app or Class Dojo if your child’s teacher uses those resources. Teachers are the ones who get your child to the correct place in the afternoon.

Boys Basketball Open Gym
Boys' Open Gyms will start up next school year. Thank you to all who participated.

The Columbus Revolution Basketball Program is doing summer camps/programs. Information and permission slips are available in the main office.
Edwards Pre-K has had an awesome year exploring, making friends, and making great progress preparing for Kindergarten.

We wish all our Pre-k students a wonderful summer and a great Kindergarten year.

Mrs. Morlok’s Pre-K class was FINALLY able to take a fieldtrip! In spite of a last minute cancellation of our original plans, we were excited to visit the public library and The Commons playspace. We weren't able to picnic outside due to rain but we enjoyed an indoor picnic under our glass skylight...just as sunny and no bugs so we called it a win!
Mrs. Euler and Mrs. Starnes classes went on a field trip around downtown Columbus. The kiddos got a treat at Dairy Queen, heard a story and learned about the summer reading program at the library, and learned about Yoga at Elemental Yoga.

STUDENT SPOTLIGHT

Sixth Grade

Our amazing 6th graders' time at Parkside is coming to end! To celebrate their accomplishments, we have several activities planned. Please refer to the form sent home and return permission forms, field trip money and volunteer forms to your student's teacher. We really need your help to make their last field day their BEST field day! For more information, contact the 6th grade team.

Sixth Grade Dance

After Spring Break a small group of sixth graders decided that they wanted to organize a 6th grade dance. Grier Lane, Alexandra Lopez, Carolina Hales, Anna Ruble, and Baylee Benfield, Kash Coers. They found a sponsor (Mrs. Fisher), organized letters, volunteers, supplies, decorations, donations, ticket sales, and even raffle prizes. This was no easy task. They gave up countless lunch/ recess times and encouraged all who could to come participate!

Thanks to this team and to Mrs. Fisher for creating an event to remember.

Also, Thanks to many parents and teachers who supported them along the way! Bravo team! The dance was held on April 29th in the Parkside Gym. Who knows, perhaps they started a new tradition!
What a fantastic year! I have had so much fun getting to know your children during my first year at Parkside.

Please encourage your children to read over summer. There are many different reading programs and fun activities to take advantage of at The Bartholomew Public Library. There are also websites where you can read or listen to books for free online. Here are a few:

- Barnes & Noble Free Kids eBooks
- Amazon Free Kids eBooks
- Storyline Online
- Oxford Owl
- Open Library
- Good Reads
- Project Gutenberg
- Overdrive
- Magic Blox
- Wilbooks
- The Library of Congress
- International Children’s Digital Library
- BookSpring
- Free Kids Books
- Storyberries

I hope you all have a great summer and I am looking forward to the 2022/2023 school year. Happy reading! Mrs. Andrews Parkside Library

Courtyard News and Photos

Spring clean-up in the courtyard is complete. I put down fresh mulch, pruned as needed and added a few spring annuals for color. I will be adding more plants as the weather continues to warm up. On Wednesday, 4/20, Miss Bodkins' class and I released 1500 ladybugs in courtyard. Ladybugs act as a natural pesticide and protect farm crops and flower gardens from aphids, mealy bugs and other damaging pests. I introduced a simple, bug hotel, "The Holiday Insect" and posted ladybug facts outside of the cafeteria. I am hopeful it will encourage the kids to explore the courtyard. I added several garden signs identifying different perennials/annuals and basic flower info. Ex: 'Lambs Ear' : Please touch my fuzzy leaves. If anyone is interested in working in the dirt with me, please feel free to email me: stephanieastudley@gmail.com
