What is a Dual Language Immersion program?

Dual language immersion uses two languages for instruction. It has proven to be the best educational model to produce graduates who can speak, read, and write at or above grade level in BOTH Spanish and English.

LEGACY
GIVING A LEGACY OF GLOBAL OPPORTUNITIES

"Arlene and I chose Legado for Caleb and Natalie because of the opportunity for them to become bilingual and biliterate, be challenged by a rigorous and life changing curriculum, and embrace a culturally diverse pathway where they will develop lifelong friendships." -- Dr. Parsons (Principal and Parent of Legado)

Two Brain Pathways
Students achieve true bilingualism by 3rd grade and biliteracy by 6th grade.

Family Environment
Families choose to be in the program by applying for their child to be enrolled into Legado.

Future Ready
Students can graduate with the Indiana Seal of Biliteracy and learn a third language in high school.

The Future Chooses Us!
Legado Academy utilizes the 80/20 dual language model. 80% of the day in Pre-K, Kindergarten, and 1st grade is taught in Spanish and 20% in English. The instruction in English increases in 2nd and 3rd grade until it is a 50/50 model in 4th, 5th, and 6th grade.
SPECIAL

LEGADO IS THE ONLY DUAL LANGUAGE SCHOOL IN A 60 MILE RADIUS OF COLUMBUS, IN

At Legado Spanish Immersion Academy, we pride ourselves on this wonderful and rare opportunity for students to become bilingual AND biliterate in Spanish AND English. We are also equally proud of the diverse community of learners and families who grow together throughout their elementary years and develop lifelong friendships.

Applications Open on December 1

If you want to give your child the gift of growing up bilingual and biliterate, apply at:
