Student and Family Guidelines: Attendance, Transportation, Student Expectations

Attendance
Bartholomew Consolidated School Corporation and L. C. Schmitt Elementary School believe that regular school attendance is critical to a student's ability to grow and learn at school. Maximum learning occurs through teacher instruction, class participation, and interaction among students. Therefore, any school absence, excused or unexcused, places the student at a disadvantage. Regular school attendance further prepares students to assume their roles as productive members of the work force and society.

- If your child is absent, please notify the office staff by calling (812) 376-4307 by 8:30 am. For your convenience, voicemail is available to take your calls when the office is closed. If you are not able to call school the day of the absence, you must send a note with your child when he/she returns to school stating the reason for the absence. If the reason for the absence is not provided the absence will be recorded as unexcused.
- When your child visits the doctor, dentist, optometrist, etc., the doctor must confirm the visit. Forms are in the doctors' offices and are also available at the school office. If the doctor does not confirm the visit, the absence will be recorded as unexcused. The student should miss only the time necessary for the appointment and travel time to and from the appointment.
- The school counselor will investigate all frequent absences, unexcused absences, late arrivals, and early departures. Frequent absences (missing more than five days of school in a semester or in a previous school year) may result in requiring a doctor's statement to count as an excused absence. Continued issues with absences, late arrivals, and early departures will be referred to the ATTEND Team, Bartholomew County Prosecutor, and/or Children's Protective Services for further investigation.
- Your child is responsible for requesting make-up work. You may pick up assignments during the period of a student's extended absence (two or more days) by giving the teacher 24 hours-notice. This gives the teacher time to prepare the materials and send them to the office.
- If you wish that your child be excused from school for "highly extenuating circumstances" or for participation in non-school sponsored competitions, please obtain a request form from the school. Family vacations are not considered extenuating circumstances and will result in unexcused absences. The Highly Extenuating Circumstance/ Competition Form must be submitted at least one week before the scheduled absence. These requests will be reviewed and are subject to the approval of the principal on a case-by-case basis. Homework will not be provided in advance for these absences or for vacations that are not part of the school corporation schedule.

ATTEND
ATTEND is a coalition of schools, law enforcement agencies, community organizations, community organizations, and service agencies in Bartholomew County. Their task is to respond to violations of BCSC’s attendance policy and the Indiana Compulsory Attendance Law (I.C. 20-8.1-3).

Arrival and Dismissal Procedures
1. We are ready to greet our students at 7:55 am! Walkers and car riders should enter through the main entrance doors on California Street. Breakfast is available to all students either in the classroom or in the cafeteria. We ask that students stay off of the playground before school.
2. Students will need a tardy pass if they arrive after 8:15 am. Parents should drop students off at the front doors and will not be permitted to walk students to class, a district-wide policy.
3. Students are dismissed between 2:30 pm and 2:45 pm each afternoon.
Car Rider Guidelines - Our car line off of California Street will be used if your child is a car rider. To ensure safety of our students and staff, please adhere to the following guidelines:

- Cars should be northbound on California Street.
- We ask that the driver stay in the car at all times.
- The parking lot on 27th Street is used for buses and is not available to cars from 7:45 am to 8:15 am and from 2:15 pm to 2:45 pm.
- If you arrive after 8:15 am, please plan to walk your child in. If you choose to walk your child into school, please be aware that parents are not permitted to walk their child to class unless prior arrangements have been made with administration.
- If your child needs a car rider number, please contact your child’s teacher or the office.
- Please be sure your child is wearing a seatbelt and knows how to fasten his or her seat belt when he or she leaves school in the afternoon.

Change of Dismissal Plans
For the safety of your child, we require a note or a phone call to the office if a change in usual dismissal is needed. In the absence of a note, your child will be able to call home, but if no contact is made, your child will be dismissed from school in the usual manner. Please be sure to call the main office at 812-376-4307 before 2:00 pm for a change in your child’s afternoon dismissal plan.

Emergency School Closings
For important information regarding school closings, please check the BCSC website or our school Facebook page. www.bcsvschools.org

For the safety of the children during inclement weather, schools may be closed, dismiss early or have a two-hour delay in starting. Families should be prepared for any of these situations. Emergency closings are announced by radio stations WCSI (1010 AM), WKKG (101.5 FM), WWWY (104.9 FM) AND WRZQ (107.3 FM). Parents are asked to listen to the radio for announcements or to check the BCSC website, but to avoid calling the school if possible. In case of a two-hour delay, school will begin at 10:15 a.m. When there is a two hour delay, buses will run two hours later. Sign up for E-Alerts at here.

Bus Transportation
Check the BCSC website for up-to-date bus information delays by visiting: https://www.bcsvschools.org/site/Default.aspx?PageID=513. Inclement weather such as snow, icy roads, or other local weather alerts may delay all buses. When this is the case, you can expect delays on most routes. If the reason for the delay is due to a serious problem while your child is on the bus, you will receive a phone call from the transportation office.

Bus Riding Policies
1. Children may be required to walk a reasonable distance to a bus stop. Please note, parents/guardians are responsible for the safety of your child while going to or from the bus stop and while waiting for the school bus. Stops will be chosen with concern for safety and numbers.

Parents/guardians should note that any damage by your child to the school bus, personal or public property is your responsibility per BCSC Transportation policy 8600 B 2.c. For more information on BCSC Transportation policy 8600, refer to http://www.neola.com/bartholomew-in/.

Field Trips
In addition to regular scheduled classroom activities, our Schmitt Rockets will learn through a variety of field trips and guest speakers. Some of these experiences are free, while others cost a small fee. To cover the costs of all trips and speakers, we would like to ask for a donation of $20 per student. This donation can be made all at once, or in increments of $5 each month.

Please consider donating! We will use this donation (and other fundraising amounts) to schedule at least one field trip per semester and one classroom guest per semester. Your child’s teacher will notify you of upcoming trips or guests. We will not ask for additional field trip fees throughout the school year, but will send a permission slip and notification home when a field trip is approaching.
**Student Appearance**
School dress should be modest, safe, and appropriate. Clothing that some may be considered to be fashionable may be inappropriate in a public school setting. The careful regulation of student dress is the responsibility of the school. Student/staff health and safety, common decency, student schoolwork, and the school and classroom order are all affected. This basic dress code does not infringe on students’ rights of freedom of expression, but rather encourages students to “dress for success,” and come to school properly prepared to participate in the educational process. This list is not intended to be all-inclusive. Students inappropriately dressed will be sent to the nurse’s office to change or have appropriate attire brought to them by parents.

- Clothing should support a positive and inclusive school culture. Clothing may not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected groups. Any item of apparel that bears any picture, diagram, or slogan/language that can be considered vulgar, indecent, obscene, or tends to exploit drugs, alcohol, weapons, violence, gangs (inclusive of clothing colors and symbols, or promotes racial disruptions by bearing a picture, diagram, logo or slogan/language or other symbol denoting the Ku Klux Klan, Aryan Nation, White Supremacy, Black Power, confederate flags or articles, Neo-Nazi or any other “hate” groups that support racial disruption) or anything immoral or illegal, will be deemed inappropriate and may not be worn in school or at a school function.
- Students shall not racially harass or intimidate others by using racial or derogatory slurs, wearing or possession of items depicting or implying racial hatred or prejudice. Students, shall not at school, on school property, or at school activities wear or have in their possession any written material, either printed or in their own handwriting, which is racially disruptive or would cause a reasonable person to be intimidated.
- No student participating in interscholastic sports is permitted to wear any type of jewelry during practices, games, or competitive events.
- Sleeveless shirts are permitted, however, no spaghetti straps, tank tops or halter-tops should be worn. Undergarments and torso should not be visible.
- Clothing must be a safe fit. Shorts must be an appropriate length (shorts that reach the bottom of the student’s fingertips when arms are extended down are appropriate). Pants must come to the waist and stay up.
- Sensible shoes are to be worn at all times to assist in student safety. Shoes that may restrict activities include high heels, flip flops, slippers, shoes with tall soles/heels and clogs. Shoes with built-in skates are prohibited.
- Clothing and accessories such as, but not limited to, pajamas, blankets, non-religious hats and caps must be left at home, as should attire that may cause property damage and/or injury.

Students and parents are encouraged to listen to the weather forecast each morning and dress appropriately. Students do play outside all year except when it is extremely cold or wet. Students should dress appropriately for outside play.

**Birthdays and Classroom Treats**
At Schmitt, we love celebrating your child! Each child, on his or her birthday, will be able to choose a brand new book to take home! If you would like to send a treat in for your child’s birthday, please contact your child’s teacher. Please advise the classroom teacher in advance if your child is not to participate in any of these parties for medical or other reasons. For the safety of our students, all treats should be commercially prepared or individually wrapped. Because we care about the social emotional health of our students, we would like for families to avoid sending birthday invitations to school unless the whole class is invited.
Welcome to the cafeterias of Bartholomew Consolidated School Corporation! It is a privilege for the food service staff to provide nutritious, high quality, satisfying meals to our students. Below you will find basic information about the lunch program. Questions regarding account balances or overall meal service can be directed to the cafeteria manager at Schmitt Elementary by calling our cafeteria at (812) 376-4521.

DEBIT SYSTEM

- All cafeteria purchases are to be prepaid before meal service begins. BCSC Cafeterias utilize a pre-pay/debit system designed to process student purchases in an efficient, confidential manner, and to reduce the amount of cash on hand at each location. At the end of each school year, the account balance is transferred to the student’s account for the following year. Deposits may be made at the school cafeteria by cash, online using Visa or Mastercard at MySchoolBucks.com, or personal check made payable to the school cafeteria. Please indicate student name and or student ID# on the check.

CHARGES

- Due to the nature of this pre-payment/debit program, charging school meals is discouraged. Students may only charge 3 lunches. Elementary students will be sent home written notices of any outstanding negative balances in the meal account at a minimum weekly until the balance is paid in full. Schools will provide an emergency meal of peanut butter sandwich or grilled cheese sandwich, vegetable, fruit, and milk at no cost until charged lunches have been paid in full. If food service staff suspect that a student may be abusing this policy, written notice will be provided to the guardian that if he/she continues to abuse this policy, the privileges of an alternative meal will be refused. If a student repeatedly comes to school with no lunch and no money, the food service staff must report this to the principal. All accounts must be settled prior to the end of the school year. Negative balances of more than $25.00, not paid in full in the 15 days prior to the end of the school year will force the Corporation to take action to collect unpaid funds by means of collection agencies, small claims courts, or any legal method deemed necessary. Students who graduate or withdraw from the corporation and have $5.00 or more left in their lunch/meal food service account will be notified by food services by the last day of school and given the option to transfer the funds to another student or to receive a refund. If no response is received within 90 days the student’s lunch /meal account will close and the funds will no longer be available.

MEAL ASSISTANCE

- Meal assistance is available to all BCSC students that meet income qualifications. An application for meal assistance is given to each student at the start of each school year. Students are considered paid students and will be charged full price meals until the meal assistance applications has been processed and approved. Due to the large number of students attending BCSC schools, it may be a few weeks before all applications are processed. **It is recommended each student start the school year with two weeks worth of lunch money in their account to avoid charges and to allow time for applications to be processed.** Meal assistance forms are effective for one school year. Families must reapply each school year for meal/textbook assistance.
● Eligibility for free pre-school WILL NOT automatically qualify you for free/reduced lunches. A free/reduced meal assistance form must be on file with the food service department, processed, and approved before free/reduced lunch prices take effect.

● Students approved for meal assistance of free or reduced priced meals of $0.40/day will utilize their lunch account in the same manner as paid students; thereby keeping meal eligibility status confidential.

**VEGETARIAN OPTIONS**

● BCSC Food Service has a variety of vegetarian options for students. These items are served on week two and 4 of the 5 week cycle menu

**Lunch/Textbook Assistance**

Forms for lunch and textbook assistance are sent home on the first day of school each year. If you need financial assistance, please complete the form and return it to school. You will be notified if you meet the criteria. If at any time during the school year problems arise that might entitle your child to a free or reduced lunch, please call the school office at (812) 376-4307 and speak to our counselor. The financial status of all students is confidential. Emergency lunches will be a peanut butter or sunflower butter sandwich, vegetable, fruit, and milk.

**Visitors for Lunch**

Families are always welcome to eat lunch with their child! Due to the size of our cafeteria, visitors will be asked to join their child in our lobby or our courtyard area. There will also be family meals planned throughout the school year, especially around the holidays, and we would love for you to join us for the fun! Visitors must complete paperwork for criminal history checks on an annual basis and wear visitor passes while in the building. Please plan to bring your driver’s license for our check-in process. We do ask parents to wait either in the office hallway or in the cafeteria until the children are dismissed for lunch. We are hoping that we will add this feature back to our routine soon!

**Volunteers and Chaperones**

All volunteers at Schmitt Elementary must obtain a criminal history check annually. This includes volunteers in the classroom, on field trips and for special events. Forms are available in the office. If you think you may want to accompany your child’s class, volunteer on a regular basis or for special events, please fill out a background check. They must be renewed yearly. Volunteers and chaperones must adhere to our student/faculty appearance guidelines and refrain from tobacco use while volunteering or chaperoning. We are hoping that we will add this feature back to our routine soon!

**Book Rental Fees**

Book rental fees may change. The fee rates will be announced at the beginning of each school year. Parents will be notified of changes. Last year, our fees were as follows: The materials fee for kindergarten per semester is $20.00, $8.20 consumable fee, $2.50 technology fee, and $7.50 student activity/science fee or $38.20 per semester. This would be $76.40 per year for kindergarten. For grades one – six the fee per semester is $47.47, $7.50 student activity/science fee, $5.29 technology fee, and $5.00 science fee or $60.76 per semester or $121.52 per year. Applications for assistance will be provided in the first day of school packet of information and are also available in the office. These should be completed and turned in as soon as possible. You will be billed twice a year, once each semester. You may make arrangements with us to pay the fee in payments. **If you qualify for free or reduced lunch, your textbook rental fee is waived.** Fees are subject to approval by the school board. All checks issued to our school must have your current name and address. Please include your child’s name in the memo section. There will be a $20.00 fee on all checks returned for insufficient funds.
Instruction and Instructional Support

At Schmitt, teachers instruct students using the Indiana Academic Standards for language arts, math, science/computer science, music, art, and physical education while using Universal Design for Learning (UDL) as our instructional framework. Teachers provide engaging direct instruction, as well as structured practice as students learn the grade level standards. Students are assessed after working with each standard and given opportunities for enrichment and/or remediation as needed. Students and teachers set goals for continued growth and development in the standards and track student data with goals and strategies implemented.

Inclusion is belonging; it’s being a valued member of a community. At Schmitt, we create an inclusive environment where all learners are valued and respected. Our inclusive environment provides support and services for all students. Teachers plan for student variability and remove barriers while providing services needed. Inclusion benefits all learners.

Homework

Homework assignments provide the opportunity for students to practice, reinforce, apply and/or extend the skills they are learning during the regular school day. Homework can also help develop good work/study skills and a sense of responsibility. The assignments help communicate to parents which skills students are working on during the school year and reinforce the partnership between school and home. We do not have a school-wide policy on homework, but do give extra practice for skills that students might need. Please reach out to your child’s teacher if you have questions regarding your child’s homework.

Research indicates that families can have a very positive influence on their child’s education by reading with them each day. In addition to regular assignments, students are encouraged to read either independently or with a family member on a regular basis for 20-30 minutes each night. This is a great habit to begin!

Growth Model Report Cards (GMRC)

Students in grades K-6 will use Growth Model Report Cards (GMRC) for the 2021-2022 school year. The purpose of the GMRC is to indicate specific student progress on critical standards in each subject area. Our goal for all students is to be at level “3” by the end of the school year. Parents should not be alarmed if their child begins the year with “.5s – 2s” in different areas, since a score of “3” is mastery of an entire standard. A student receiving a “4” on a given standard would be rare. If students have satisfied all level 2 items within a standard, but only a portion of the level 3 descriptors, their progress may be reported as 2.5 on the report card. Contact your child’s teacher or building principal with more specific questions.

The Growth Model Report Card informs caregivers of their student’s progress throughout the year on critical standards. Report cards are distributed the Friday after the end of each nine weeks. Caregivers can keep up to date with student progress using Parent Portal; logins are available through the school office. In addition, caregivers are encouraged to schedule a conference with a teacher any time questions or concerns arise.

Assessment

Each spring, students in grades 3, 4, 5 and 6 will participate in the statewide ILEARN assessment. In addition, 3rd grade students will take the state IREAD which measures foundational reading skills. Results from these tests will be shared from the state with parents. K-2 students are assessed 3 times a year using NWEA which measures the development of reading skills. Parents will receive a Literacy Performance Report with results from this test. Teachers may also use IXL and STAR Reading to provide additional data points for teachers and students to monitor growth.

Dyslexia Screening

BCSC uses an approved universal literacy screening for all students in kindergarten through second grade. The screening process includes six components of literacy instruction: letter naming fluency, phonemic
segmentation fluency, nonsense word fluency, word reading, fluency, and oral reading fluency. The universal screening uses a research based program, DIBELS 8, which can also identify risk factors for dyslexia. This program is used as a regular part of literacy instruction and assessment in our kindergarten through second grade classrooms. If you have any questions about the DIBELS program and/or screening process, please contact your school principal.

**Instructional Consultation Team (ICT)**

Students struggling academically or behaviorally may be referred to a member of the Schmitt ICT. The ICT facilitator meets for an initial meeting with the teacher where the academic concerns are identified. An analysis of the concerns is completed and a plan of action is developed. The facilitator and the teacher will continually monitor the progress and make adjustments as needed.

**Parent Portal**

Parent Portal is a way for families to access their children’s school records. You may view health and immunization, assignments, grades, attendance, and discipline. Grades and missing assignments can be found through PowerSchool Parent Portal. Please contact Schmitt's main office at 812-376-4307 to apply for a username and password.

Itslearning is BCSC’s web-based Learning Management System. Each student and teacher has access to this resource while in school. Students can login to their account with any internet connection and device outside of school. Itslearning will allow students to access learning resources, turn in assignments, and communicate with teachers and other students.

**Student Academic Recognition**

**Goal:** Recognize BCSC students who are making academic gains and maintaining a high level of success each semester.

All BCSC Elementary Schools will give both Academic Growth and Academic Success Awards.

ASA=Academic Success Award; AGA=Academic Growth Award

**Academic Success Awards** will be given only at end of 2nd semester

**Academic Growth Awards** will be given at end of 1st semester and 2nd semester

**Positive Behavioral Instructional Support (PBIS)**

Schmitt employs a positive system of support that provides structure and expectations for students and rewards good decisions to help students find success. At Schmitt Elementary, the Positive Behavior Instructional Support program (PBIS) has three simple guidelines: Be Safe, Be Respectful, and Be Responsible.

Our ultimate goal is for each student to practice self-regulation. It is our hope that students self-regulate before behavior intervention is needed. We love finding ways to reinforce positive behavior at Schmitt! One way we do this is by offering students Rocket Rewards when students are doing their best to follow one of our school-wide expectations. Students are able to save Rocket Rewards or turn them in to our box in the office. On Fridays, students have an opportunity to turn their Rocket Rewards in for prizes or extra opportunities! We also draw a few names from our Rocket Reward box to win prizes too!

Bi-weekly there are students selected by the classroom teacher to receive the Rocket Rider Award. These awards are for students who excel in demonstrating positive behaviors, a growth mindset. Mrs. Day and Mr. Mahaffey visit classrooms and deliver the certificate to the winner. We also celebrate by posting our students’ pictures on our social media page.
Office Behavior Referral
Unfortunately, there are times when, due to a misbehavior of a student, he or she is sent to the office. An office referral will result in student reflection, usually a restorative practice, and a phone call home to a family member to communicate this reflection process. Please see below for a copy of the referral form.

Our Library and Book Care
Our library is innovative with many modern options for students to read, learn, and collaborate. Students will visit the library media center once a week with their class and may also visit during Open Library times throughout the week. Students may borrow 2 books at a time. Third – sixth grade students may choose to borrow magazines one at a time. Students are allowed extra books if they are needed for research or class assignments. We will have “Family Check Out” days from 11 am-1 pm as a way to encourage families to share books together. Students can join their family if time allows during their lunch or recess time. Families are permitted to check out 5 items at a time for a 10 day period. We are hopeful that we will add this feature back to our routine soon!
**Returns and Renewals** - All materials that are due from a student must be returned prior to checking out additional items. Books may be renewed 2-3 times if no one else is waiting for them. Students must have the book(s) with them in order to renew them.

**Overdue and Lost/Damaged Materials** - It is a privilege and a responsibility to borrow Media Center materials. Students are expected to properly care for and return promptly all borrowed materials. Overdue lists are issued periodically. Overdue fines are not charged, but students having an item overdue for three weeks or more will receive a parent note with a replacement cost in case the item cannot be found. Parents are responsible to pay for lost or damaged materials. We can accommodate “installment” payments if the entire amount cannot be paid at one time. A refund will be given if a book is later found and returned.

**Textbooks**
Textbooks and library books are the property of the school corporation. These items are checked out to students by a name/number system. It is the responsibility of the student to keep track of these items and to return them in satisfactory condition. Students and parents are responsible to pay for books that are lost, stolen or damaged.

**Student Services**

**Before/After School Care - ICARE**
BCSC offers a before and after-school supervision and enrichment program called ICARE. This is a fee-based service with a limited number of scholarships available. At Schmitt, ICARE is provided in the morning from 6:30 am through 7:55 am. ICARE is also provided after school until 6:00 pm. Please call Anna Villa at (812) 418-0924 for additional information about services and charges. The Foundation for Youth provides a bus for after-school programs at the Boys and Girls Club. Please contact Boys and Girls Club for more information.

**Elementary Basketball and Cheerleading**
Schmitt participates in BCSC’s Elementary Basketball League, an opportunity for 5th and 6th grade students to learn and compete against other elementary schools in the district.

**Eligibility** - To be eligible as a member of a BCSC elementary team, a prospective player and/or cheerleader must have a completed physical examination form and a completed/signed Consent and Waiver form on file at the school prior to team tryouts. This procedure brings the BCSC Elementary Basketball League into compliance with the athletic procedure of the BCSC’s secondary schools. Academic eligibility for student athletes is a school decision based on academic effort and growth of each individual student. A player becomes ineligible if his/her 13th birthday occurs before August 1. If your child is planning on participating in/attending an after-school event(s), he/she must be in school to do so.

**Student Clubs and Activities**
Schmitt offers a variety of clubs and activities for students. We offer book clubs, robotics club, choir, mural club, art club, strings/violin group, basketball/cheer, Kindness club, LEGO robotics, Girls on the Run, Pathfinders, and Best Buddies. We are always interested in adding more opportunities for our students. If you are interested in sponsoring a club or activity, please call the office.

**Health Services**
A nurse is available to all students during the school day for first aid and emergency care, to assist in the management of care for chronic health conditions and as a healthcare resource. Please update the school nurse during the school year if your child has any health changes. If your child is diagnosed with a communicable disease like chicken pox, strep throat, impetigo, conjunctivitis or fifth’s disease please report it to the school nurse as soon as possible.
1. **Immunizations (Policy #5320):** Indiana law and BCSC policy requires written documentation of immunizations from a physician or the Health Department for all students. This law provides that no child shall be permitted to attend school beyond the day of his enrollment without furnishing proof of the required immunizations. A full list of all school immunization requirements can be found online on the website for Indiana’s state immunization registry (CHIRP): [https://chirp.in.gov/](https://chirp.in.gov/). If you have a religious or medical exemption, we must have a parents and/or doctor signature every year.

2. **Emergency Care.** Blue information cards will be used to contact a parent/guardian in the event of an emergency. The parent/guardian signature on the nurse emergency card signifies permission for the student to receive emergency treatment.

3. **Illness:** Students experiencing illnesses at school notify the teacher. The student is then assessed by the nurse. If the student is too ill to remain in the classroom, the parent/guardian is called and expected to arrange for the child’s care.

**Criteria for sending a student home or when to keep the student at home:**

- Temperature of 100 degrees or more
- Inflamed eye with drainage
- Persistent cough
- Vomiting and/or diarrhea
- Severe pain
- Open, draining sores

Return to school when fever free for 24 hours without medication or when vomiting/diarrhea has stopped. A student that develops reddened eyes with thick, yellow drainage may return after being seen by a physician and may return when eyes are clear after 24 hours with a note from the physician.

4. **Disease Management:** Students with chronic health conditions such as asthma, allergies, diabetes, seizures, etc. should notify the nurse each year at the beginning of school. The nurse, parent/guardian and student should meet to create an individualized health plan for the school year. Supplies can be kept for the student in the nurse’s office.

5. **Medication (Policy #5330):** In order to protect the health and welfare of children, Indiana law requires that school observe certain safeguards in administering medication to students. If the nurse is to administer medicine to a student, the following procedures will be observed:

   - An order from the physician is required for prescription medications to be given at school.
   - Medication should be in the original and properly labeled container.
   - Written permission from a parent/guardian is required for an over the counter medication to be given at school.
   - All medication must be registered and stored in the Nurse’s office.
   - Prescription or non-prescription medications must be renewed each school year.
   - Any medications not picked up at the end of the school year will be destroyed.
   - Medications cannot be transported on the bus. Please drop them off at the nurse’s office.
   - A physician order is required for a student to self-carry medication.
   - Cough drops are not permitted in elementary school due to the potential risk of choking.

6. **Lice:** The most common symptom of lice is itching. Parent/Guardians will be notified if a student is found to have live lice. The student will be sent home for treatment; bus transportation is not available in this situation. Head lice are not a sign of poor hygiene and they do not transmit disease.

7. **Health Screenings:** The state required health screenings are listed below. Parents are notified by letter of the hearing and vision failures in order for the student to receive further medical assistance. If you do not wish to have your student screened, written notification must be provided to the school nurse.
Service: Administered by:
Speech & Hearing Test School Nurse/Speech/Hearing Therapist (Grades 1, 4)
Vision Test School Nurse/Optometrists (Grades 1, 3, 5)
Height & Weight School Nurse (Grades K-6)
Blood Pressure Screening School Nurse (Grade 1, 3, 5)
Dental Screening County Dental Hygienist (Grades 2, 5)

8. Appointments: It is recommended to schedule medical and dental appointments after the school day. If a student has an appointment during the day, the appointment must be confirmed by written documentation from the medical/dental office and returned to the office.

Counseling Services
Schmitt Elementary has a school counselor to help students achieve the highest growth both socially and emotionally. Based on the need of each student, he or she may participate in individual, small group or classroom activities in order to help meet these goals. Parent conferences are also offered when a parent, teacher or student feels it is necessary. The Counselor is available to meet with the parent to discuss anything that may affect a student’s performance at school. We also have a full time Centerstone therapist and a Family Support Specialist who might be available based on the needs of your child and family. Please call our office if you would like additional information.

Schmitt Parent Involvement and PTO
The purpose of the Schmitt PTO is to provide an opportunity for everyone to come together to identify student and teacher resource needs, express ideas, and establish and achieve goals that will enrich our children’s educational experience. Our Rocket PTO sponsors many Schmitt events. Please be sure to fill out the information sheet included in your child's folder regarding family involvement.

Recess
Fresh air and outdoor play are beneficial for our students! We will take our students outdoors as long as it is not raining or snowing and if the wind chill is above 20 degrees. All students should have appropriate clothing for outdoor play. Contact our school nurse if you need assistance in obtaining warm clothing. We encourage all students to participate in outdoor recess, unless a doctor’s statement is on file.

Building Crisis Information

EMERGENCY DRILLS
Drills are held regularly to help ensure the safety of the students at Schmitt Elementary. During fire, tornado, earthquake, and evacuation drills, students are expected to:
- follow directions of their teachers.
- go to designated safe areas with no running or pushing.
- remain at a voice Level 0 so directions can be heard.

SAFE SCHOOLS EMERGENCY PLANNING
The safety of students and staff must be a priority in schools today. Each school has developed a comprehensive plan for response to emergency situations. To provide students and staff members the opportunity to practice the outlined procedures, drills are held regularly for fire, tornado, earthquake and Run, Hide, Fight.

The complete document, BCSC Crisis Plan & Schmitt Elementary Emergency Situations Procedures, is available for parent review online.

Smaller items such as jewelry, toys, money, etc. may be turned in to the school office. Students should check both places for lost items. Items not claimed will be donated or disposed of at the end of each semester. Please consider labeling as many items as you can before the school year begins.

Students who bring phones to school run the risk of having them misplaced or damaged. Tablets, iPads, or any other device used in the classroom should only be brought to school with the teacher’s permission and should only be used in the classroom for educational purposes. Parents should contact the teacher to verify permission. These devices will be used without network connection or support. The student should not share their personal device with others, and the school cannot accept responsibility for lost or damaged items. If social media use interrupts the learning environment, consequences will be given to the student at school.

FERPA

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 year of age ("eligible students") certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent of reliable student believes are inaccurate. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write the school principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent of eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Disclosure of Student Directory Information

FERPA allows disclosure of appropriately designated “directory information” without written consent from a parent or eligible student. Directory information is information that generally is not considered harmful or an invasion of privacy if released. BCSC has designated the following information as directory information: Student’s name, photograph, date of birth, dates of attendance, grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, and awards received, and school attending.

BCSC shall limit the purpose of releasing directory information. BCSC can allow, within their discretion, release of directory information from your child’s education records only to BCSC school or community publications, media or organizations that report or produce articles or information regarding the following: school events; yearbook; graduation; senior projects; academic honor roll, awards, scholarships, achievements and accomplishments or other recognition lists; athletic, performing arts and other school club information, activities, and accomplishments. Directory information can also be released to a student’s health care provider/office.

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent. (Section 9528 of the Elementary and Secondary Education Act (20 U.S.C. § 7908) and 10 U.S.C. § 503(c)).

If you do not want BCSC to disclose any or all of the above listed directory information from a student’s education records without your prior written consent, you may opt out by notifying the principal (or appropriate school official) of the school the student is attending, in writing by August 31 of each school year, of the specific directory information that should not be disclosed.

FREE SPEECH
Freedom of speech can take different forms. The U.S. Dept. of Education gives students the right to pray, organize groups, express your faith in classwork, homework, or at a school event. Parents are advised that the U.S. Department of Education publishes annual guidance on constitutionally protected prayer in public elementary and secondary schools. You will be provided the latest copy from the principal upon request.

PLEDGE OF ALLEGIANCE Policy 8801.01
Each building principal shall ensure that a daily opportunity is provided for students to voluntarily recite the Pledge of Allegiance in each classroom or on school grounds. A student is exempt from participation and may not be required to participate in the Pledge of Allegiance if the student or student's parent chooses for the student not to participate. Students who are exempt from reciting the pledge shall remain quietly standing or sitting while others recite and shall
make no display that disrupts or distracts other students who are reciting the pledge. Students who participate shall stand and recite while facing the United States flag with their right hand over their hearts or in an appropriate salute if in uniform. The student code of conduct applies for disruptive behavior during the recitation of the pledge in the same manner as provided for in other circumstances of such behavior.

**MOMENT OF SILENCE**

In order that the right of each student to the free exercise of religion is guaranteed and the freedom of each student is subject to the least possible coercion from the state either to engage in or refrain from religious observation on school grounds, there shall be a daily observance of a moment of silence. During the moment of silence the teacher responsible for a classroom shall ensure that all students remain seated or standing and silent. The teacher will ensure that the students make no distracting display so that each student may, in the exercise of the student’s individual choice, meditate, pray, or engage in any other silent activity the does not interfere with, distract, or impede another student in the exercise of the student’s individual choice. This moment of silence is not intended to be and shall not be conducted as a religious exercise. This policy precludes students from using the occasion to pray audibly or otherwise speak singly or in unison. Building principals and teachers must not allow or tolerate any coercion or overbearing by anyone to force other students to engage in or refrain from prayer or any other permitted activity under this policy. The student code of conduct applies for disruptive behavior during the moment of silence in the same manner as provided for in other circumstances of such behavior.
Bartholomew Consolidated School Corporation (BCSC) will be providing your child with access to current technologies including the Internet and access to the BCSC computer network. With this educational opportunity comes responsibility to use these networks in a productive and ethical manner. When your child receives an account number and password, it is extremely important that s/he abide by the enclosed agreement which is to be signed by both the child and the parent.

Our goal is to provide an Internet environment that is safe and appropriate for all of our students. Bartholomew Consolidated School Corporation currently uses a commercial Internet screening product that filters Internet content and does not allow access to pages and/or sites with objectionable material. In addition, district personnel monitor Internet use to ensure that students are using the resources appropriately and design use according to their grade level.

At the beginning of each school year, your child’s teacher will discuss the appropriate use of technology including the use of the Internet. The district’s Technology Acceptable Use Policy, Web Publishing Guidelines, and Safe Use of the Internet Guidelines will be reviewed. Students will be expected to follow the rules established in these guidelines. Your local school may implement additional Internet and computer use procedures to make the experience safe and engaging for students. Any inappropriate use of the computer networks will result in the loss of the privilege to use this educational tool and possibly to disciplinary action as well.

Since you are legally responsible for your son/daughters actions, you may want to stress the importance of using only his/her own account number and password and the necessity of guarding against their use by others. Under NO circumstances should anyone else be given the information to access your child’s account.

Because the use of the Internet is becoming an integral part of learning and our society at large, all students are granted access when they are enrolled in our schools. If you DO NOT want your student to have access to the Internet, please contact your child’s teacher(s) and access will be declined. If assignments require the use of the Internet, alternatives will be provided.

Bartholomew Consolidated School Corporation is using all of the strategies described above to ensure the safety of students and restrict access to inappropriate material. However, access to the Internet brings with it the potential availability of material that is of no educational value, abusive, racially biased, or is otherwise offensive. While district personnel are putting great effort into ensuring appropriate access, we cannot guarantee that students will not locate material that may be objectionable. We continue to rely on a student’s judgment to use the Internet ethically, responsibly, and in accordance with the guidelines outlined by the district.

If you would like to review the district Internet guidelines with your child, they can be reviewed at the Bartholomew Consolidated School Corporation’s By-laws and Policies website http://www.neola.com/bartholomew-in/ under policy 7540.03 - INTERNET SAFETY POLICY or you can view a copy in the school office. Your cooperation in helping students understand appropriate use of the Internet is greatly appreciated.

Proper use of the Internet is a joint responsibility of students, parents, and employees of the school corporation. BCSC retains the right to review and edit any materials downloaded, stored, or used on school computers. Before connecting to the Internet, students must first notify their teacher, teacher assistant or librarian. Violations of the policies will be dealt with seriously. Violators will be subjected to the loss of computing privileges and the normal disciplinary procedures of BCSC, including referral to police authorities.
Use of information obtained via the Internet is at the student’s own risk. Bartholomew Consolidated School Corporation denies any responsibility for any unauthorized financial obligations resulting from the use of school resources and accounts to access the Internet.

Access to the BCSC’s electronic communications system(s) and technology resources is provided without charge to students for instructional purposes and is a privilege, not a right. All students shall be required to acknowledge receipt and understanding of the administrative regulations governing use of the system(s) and shall agree in writing to comply with such regulations and guidelines. Noncompliance with applicable regulations will result in disciplinary action consistent with BCSC policies and regulations.

Violations of law may result in criminal prosecutions as well as disciplinary action by the District.

Users MAY use the technology and Internet access provided by BCSC to research and complete assigned classroom projects, and to send electronic mail for educational purposes using BCSC-provided email accounts to others users, both inside and outside of BCSC.

Users MAY NOT:

1. Circumvent or attempt to circumvent any technology protections and/or filters installed by BCSC.
2. Use technology and Internet access provided by BCSC for any illegal purpose, including but not limited to the violation of copyright laws.
3. Use technology and Internet access provided by BCSC to harass or bully others, vandalize, or disable programs, or download or upload any inappropriate or destructive materials (viruses, worms, copyrighted material, etc.)
4. Use technology and Internet access provided by BCSC to transmit or receive any inappropriate materials.
5. Use technology and Internet access provided by BCSC to access, use or modify another’s materials regardless of whether the operating system allows this.
6. Use or attempt to retrieve and/or use another person’s ID or password including but not limited to the use of “packet sniffers” and key logging software to gain access to technology and Internet access provided by BCSC.
7. Forge or attempt to forge electronic mail messages.
8. Attempt to read, delete, copy, or modify the electronic mail of other system users or deliberately interfere with the ability of other system users to send/receive electronic mail.

11. Access chat rooms, instant messaging services, or social networking sites/service without permission from a teacher or administrator.
12. Upload or install programs on BCSC computer(s) without appropriate authorization from the Technology Division.
13. Knowingly bring prohibited materials into BCSC’s electronic communication system(s).
14. Harm, destroy school equipment or materials, data of another user of the BCSC’s system(s), or any of the agencies or other networks that are connected to the Internet.
15. Attempt to compromise, degrade, or disrupt system performance.
16. Modify or reconfigure the software, data, or hardware of any BCSC resource (e.g., system/network administration) without appropriate authorization or permission.

Please also refer to the BCSC Technology Handbook for further information.

I will initial on the last page of this handbook that I have received, read, and agree to abide by these Acceptable Use Policy Rules.
It is our belief that we need everyone to be actively involved in our school. Our goal is to provide a **safe and caring learning environment and provide high-quality instruction** of the Indiana Academic Standards to all students.
