CAREER WEEK

February 23, 2024
Vol. 24 Issue 10

>>> Exploring Careers in CTE Month

Continuing with Career and Technical Education Month activities, last week students in several career pathways had the opportunity to network, learn, and expand their knowledge for future career options. Monday's focus was Public Safety; Tuesday - Healthcare; Wednesday - Manufacturing; Thursday - Transportation, and Friday featured careers in Building Trades. Over 50 employers and community partners generously shared their time to support the students with engaging activities in a fun and educational week.

MONDAY

>>> PUBLIC SAFETY

TUESDAY

>>> HEALTHCARE

WEDNESDAY
