Statement from C⁴ Director Gene Hack

I want to share with you how C⁴ is working through, and with, the developments of the COVID-19 Coronavirus. First, I want to say thank you for your partnership with C⁴. Without you and your input, we would not be where we are, nor would we be in the position to move forward with the temporary “new normal” we face today. Next, I want to thank the teachers for their dedication to create meaningful lessons that will efficiently equip our students during this unprecedented time. Finally, I would like to thank the administrative and support staff for doing all that is necessary to keep students and teachers engaged in meaningful curriculum.

I am hopeful that you and your family and friends are all healthy and stay that way. As always, please reach out to the C⁴ office if there are needs, questions or concerns.

Stay healthy, and once again, thank you for your connection!

Congratulations to our 2nd year Criminal Justice students who earned jail certification prior to Spring Break. Those who achieved their certification met the following requirements:

1. Pass the jail certification test with a 75% or higher.
2. Pass Criminal Justice II with a 75% or higher.
3. Accumulate over 40 hours of class time.

Thank you to Criminal Justice instructors **Mike Ward** and **Chanel Thompson** for collaborating with local authorities to offer this certification for C⁴ students!
